

## **ELK GROVE BABE RUTH PLAYER/PARENT PLEDGE**

We understand that the stated objectives of Elk Grove Babe Ruth is to develop an understanding of and appreciation for the game of baseball in our young players aged between 13 years-old and 18 years-old. The league strives to instill the value of teamwork and sportsmanship through a competitive but instructional baseball experience. In order to achieve these goals, it is incumbent on the participants, parents, coaches and officials to show respect for teammates, opponents, umpires and the game of baseball at all times. Smoking, the use of chewing tobacco and possession of alcoholic beverages are not permitted at practices or games.

Managers, coaches, players and parents are asked to support our league by helping with field maintenance and fund raising activities.
